Date: 01-08-2023

Notice

It is general information to all HoDs, to identify the students who have low level of attention and slow learners in your department, so that appropriate mentoring can be provided to them. For identifying the slow learners the HoDs are requested to conduct class test (formative assessment) before 20 days of the sessional examination. Simultaneously, a psychological test may be conducted to identify students who have low level of attention in classroom (for the psychological test you may contact Dr. Prasanta Khanikar, HoD, Dept, of Education). On the basis of the result, you will assign mentee to the mentors of your department. Please keep the record for future reference.

(Sarat Borkataki)
Principal
Nowgong College (Autonomous)
